## VALLEY STONE

Valley stone is the collection with an engineered stone effect. The combination of four stones from different quarries contributed to the definition of all-new graphic designs, recreating a stone with which does not exist in nature, but that has natural and highly balanced aesthetic.

## CEPPO STONE

The iconic texture inspired by Ceppo stone, with an attractively irregular pattern in "ton sur ton" shades of grey, gains a new version with a thicker grain and a striking material component. A micro effect for a highly appealing mood, offering some superb ideas to bring a sophisticated, personal touch to every setting.
